

Introduction to the Magical World of Crystals

Did you know that crystals have been used since Ancient times as tools for magic, healing and transformation? The Ancients used them not just for ornamental purposes in making jewelry, but for assisting them in advancing to the next level of spirituality in their lives. During the times of Atlantis and Lemuria, there were entire Crystal Kingdoms and beautiful Amethyst and Rose Quartz Crystal Temples. Since crystals are created and have been embedded in the earth since ancient times, they contain powerful information that can assist us in expanding our level of awareness and consciousness. Crystals are an extremely powerful tool to assist you in the healing process, to help you shift and transform your energy, and to manifest miracles in your life! They can truly change your life forever!

1. Amethyst ~ *A stone of Spirituality and Protection. Powerful, protective, and calming with a high spiritual vibration. Excellent meditation tool that accelerates development of psychic abilities. Assists in making positive life changes. Facilitates personal strength, stability and growth. Its serenity enhances higher states of consciousness and meditation. Strong healing and cleansing powers, and enhances spiritual awareness. Overcomes addictions and blockages. Opens intuition. Assists in remembering and understanding dreams.*

2. Black Tourmaline ~ *A stone of Protection. Excellent stone for protecting, and dispelling negativity of all forms, especially electromagnetic vibrations from cell phone and computer technology. Cleanses, purifies and transforms dense energy into lighter vibration. Purifies and grounds energy which increases strength and physical vitality, dispersing stress. Stimulates practicality with creativity to achieve desired goals. Dispels fear.*

3. Citrine ~ *The Abundance and Success Stone. A powerful cleanser and regenerator. Carrying the power of the sun, it is energizing and highly creative. Teaches how to manifest and attract wealth, prosperity, success and all good things. Raises self-esteem and self-confidence. Enhances individuality, improves motivation, activates creativity, and encourages self-expression. Cleanses aura and aligns subtle bodies. Assists one in looking for fresh alternatives and new beginnings.*

4. Quartz ~ *The Energy Stone. A master sacred stone, it the most powerful healing and energy amplifier on the planet. A window into other worlds, times, and places to gain information, wisdom and secrets. Amplifies and strengthens thoughts and emotions. Raises energy to the highest possible level. Storing information like a natural computer, quartz is a spiritual library waiting to be accessed. Highly programmable. Enhances psychic abilities and attunes to spiritual purpose. Powerful meditation tool and filters out distractions.*

5. Rose Quartz ~ *The Stone of Unconditional Love and Infinite Peace. Most important crystal for the heart and heart chakra, teaching the true essence of love. Purifies and opens the heart at all levels, and brings deep inner healing and self-love. Calming, reassuring, and excellent for use in trauma or crisis. Effective in attracting love, romance and relationships. Enhances positive affirmations. Strengthens empathy and sensitivity, and aids with the acceptance of change.*
